CHANGE IN DISTRICT LEADERSHIP

As most of you know, District Governor Wayne Karanovich resigned effective 15 August 2016 due to personal and family reasons. Please respect his family's privacy.

Since then the leadership of the District has been busy.

In accordance with our District Constitution & By-Laws, the Multiple District Constitution & By-Laws, and Lions Club International (LCI) Constitution and & By-Laws, the Past Council Chairs (PCCs), and Past District Governors (PDGs) met on 17 August 2016 at the State Office Building to select a District Governor for the remaining Lion year. The Constitution and By-Laws state that upon loss of a sitting District Governor, a Past District Governor from all eligible must be selected, and the Immediate Past District Governor (IPDG) cannot succeed him/her self. Therefore, First Vice District Governor Melissa Baker (1st VDG) was ineligible. The PCCs and PDGs selected PCC Steve Winegardner to District 25F for the remainder of the Lion year.

On 27 August 2016, still in accordance with above cited Constitution and By-Laws, a meeting of all PCCs, PDGs, Zone Chairs, Cabinet Secretary, and Cabinet Treasurer was called at Camp Woodsmoke.

At that meeting, PCC Steve Winegardner was elected by unanimous vote to assume the position of DG, District 25-F, effective upon approval of LCI (Approximately 3 to 4 weeks)

In the meantime, First VDG Melissa Baker will assume the position of Acting District Governor. We wish Melissa and Steve all the best, and ask that you bear with the Leadership as we undergo this transition. The PCCs and PDGs wish to thank IPDG John Brown and PCC Sue Topf (also State Secretary) for leading this endeavor.

District “F”amily

V/DG Melissa Baker

“F”amily is everything! As Lions we know this better than most. As a Lion you are part of the largest family of service oriented people in the world. When challenges present themselves or there are “New Mountains to Climb”, Lions immediately step in to make things work. Together we reach summits, achieve goals and celebrate our successes. Where there is a need, there IS a Lion. We’ve done it for 100 years.

Check online at <http://indianalions25f.org> for updates and links to news.

You, as a Lion, are there at any local emergency first. You live there, you know what is needed and you let the rest of the family know. We are there after everyone else leaves because we are the Community and the “F”amily. This is true for Lions around the world. We’ve seen it in Louisiana, in Italy, our State and in our own District. LCIF is a great “insurance” policy, but better because we get immediate results. Within a day – sometimes hours – grants are issued to help those in immediate need. Our District was a recipient after flooding and most recently the tornado in Holton, IN. District D, just north of us, received an emergency grant to assist with tornado recovery in Kokomo. How wonderful to be a part of the larger picture! How blessed we are to have such a great family.

Many times it is difficult to find out what Lions are doing in these emergencies – Lions are “the best kept secret”! Let’s share the news with each other and our communities. A quick way to do that is to check our District F website <http://indianalions25f.org>. Our updated site includes an immediate calendar of events, links, current forms and *confirmed* DG official visits. ***Check the calendar to make your club’s official visit request today!*** PCC Steve Winegardner, myself and the entire “F”amily of PDGs look forward to seeing you and attending your events. YOUR EVENT can be placed on the calendar of District events – send your flyer or event information to dosalsbery@att.net to have it posted for all to see.

UPDATE YOUR BOOKMARK TO THE NEW WEBSITE:

<http://indianalions25f.org>

The calendar will update daily as news is relayed and visits scheduled. If your club’s event or visit doesn’t show, let us know! Please contact dosalsbery@att.net to have it placed on <http://indianalions25f.org>

Camp Woodsmoke Pork Chop Sunday is September 25th, 2016. Enjoy the best Pork chops around! Club Presidents have tickets for you to purchase now. Information available in this newsletter and online at <http://indianalions25f.org>

Thank you for being a part of our “F”abulous “F”amily!

Greetings Fellow Lions of 25F!

2nd V/DG Ron Bigham

When I received the news that District Governor Wayne had decided to resign and to no longer be a Lions member, my heart was saddened. I understand that his leaving was due to family issues. Let us remember the Karanovich family in our prayers and silent moments.

Next I want to “Thank” all of my fellow Lions throughout the State who were able to work at the State Fair gates for the benefit of the Lions Foundation.

Also I want to “Thank” all of those who worked at the Washington Township Lions Club Corn Stand. Working together, it becomes a win-win project for all the Lions Clubs who give of their time in benefit to their Club.

Without each and every Lion working together to build up each other within our Clubs, our District, and our State, our motto “We Serve” would be severely reduced.

So let us look to the future with perseverance and a positive outlook toward the changes that will take place in the next few weeks within District 25F.

Bite’em!!!! 2V/DG Lion Ron Bigham

Lions stick together!

Lion Patricia Bigham, Cabinet Treasurer

During the early days of the Indiana State Fair this year, we were presented a counterfeit \$100 bill at the Washington Township Lions Club corn stand.

A sign was immediately posted that we would not honor \$100 bills. As you can imagine, this arose several comments and inquiries from our customers.

One customer, after hearing the brief story of what occurred, returned later that day, and presented us with a \$100, a good one, to make up for our loss. He then stated that his Father had been a Lion and it was not right to prey on non-profits. He was paying it forward. It restores one’s faith in humanity.

Thank you all Lions for sticking together!

DISTRICT GOVERNOR OFFICIAL VISITS

Lion Gayle Feeney, Cabinet Secretary

Thank you for the many emails and calls to schedule your "Official Visit" from DG Wayne. If you have not scheduled your visit yet, you should contact me (call, text or email) and request a date soon. I can schedule anytime from today until the end of June, 2017.

If your club participates in the Points Contest, you will get the 150-point bonus for scheduling by September 1, 2016; 75-point bonus if you schedule by October 1.

WHY ENTER THE POINTS CONTEST?

While learning about this position from PCS Sarah Getts, I have reviewed numerous forms and reports. I noticed that only about half of the clubs in 25F participate in the Points Contest. The activities, community service projects, and events your club has organized and are already doing earn points! I'd like to invite all clubs to join in this friendly competition. It's amazing how many points you will accumulate in the month.

Each secretary and president has been sent a copy of the Points Contest form for entering your club's activities. Your form is due to me by the 15th of the month for the previous month. For example, your September points are due by October 15, 2016. You still have time to enter them after you read this newsletter.

If you are new to the Points Contest and need some help, call me. We can complete your form together over the phone. I'd love to visit your club and explain how members can earn additional points by participating in different activities.

As your Cabinet Secretary, I am willing to help in any way you may need!

September is- International Literacy Month

Every person at any age has the ability, to learn to read and write.

What's that got to do with Lions? What can we do as Lions to help?

As Lion members, you too can help promote the importance, of families helping each other to read and write.

Want to know more, about how you and your club can help?

Send me an email- rjfish834@att.net

I will share ideas that have been shared with me.

Help change a person's life, help them to read and write!

Remember as Lions "We Serve"

My Pin

On the lapel of my coat is a little pin. It's colors are purple and gold. The purple is perishable enamel and the gold is gilt. The enamel will fade and the gilt will tarnish, but the pin is priceless. That pin cost me little, but I would not swap it for all the gold of the Aga Khan.

It was given to me by those who know me for what I am, my sins, weaknesses, and my shortcomings. They have chosen me in spite of all these, to honor and to accept me into the greatest service club of them all, and have given me the privilege of calling myself a LION.

However, that pin represents even more than the comradeship and fellowship of my fellow members, when I became one of them. It is a symbol of brother and sisterhood of man-kind and reverence of God. Those who wear a pin like mine, do good things not for fame or glory, but for goodness sake.

They help those with poor vision to see and make the burden of the sightless lighter. They make boys and girls happier, they support all kinds of worthwhile community projects and make the world a much better place in which to live.

Yes, all my fellow LIONS, that little pin on my lapel is PRICELESS.

ATTENTION: CLUB PRESIDENTS AND SECRETARIES

Lions Clubs International
FOUNDATION

OUR FOUNDATION

Dear Lions, I am honored to serve as Chairperson of your [Lions Clubs International Foundation \(LCIF\)](#). I believe strongly in our Foundation, which is a vital part of Lions' international service efforts. One of the most touching moments of my life was seeing how Lions joined together with LCIF to provide food, supplies, and opportunities to the refugees struggling in Europe. I am so proud to be a part of this foundation.

LCIF helps Lions improve peoples' lives around the world, [combating vision problems](#), responding to [major catastrophes](#), providing valuable [life skills to youth](#), and so much more. LCIF helps all Lions serve by providing grant funding for your local and global humanitarian efforts, and Lions help to support LCIF's [mission](#).

LCIF sets a fundraising goal every year to meet Lions' humanitarian needs worldwide. While we do not have the final numbers yet for 2015-16, we expect that **you Lions donated over US\$39 million**. What an incredible feat! With your help, we hope to raise just over US\$45 million this year so that we may continue serving the world and promoting harmony. I like to think of the beginning of a new year the start of something great, and I am excited to embark on this journey alongside you Lions, some of the most dedicated and selfless people the world has ever seen. I know that together we will achieve many great accomplishments this year. Thank you for your dedication to our Foundation! Sincerely, Dr. Jitsuhiro Yamada Chairperson, Lions Clubs International Foundation

LCIF Awards US\$44 Million in Grants More than US\$44 million was awarded in [LCIF grants](#) during the 2015-16 fiscal year. These grants are providing clean water in Haiti, measles vaccinations in Zimbabwe, children's cancer research in Australia, flood relief in India and Pakistan, and so much more. Lions will help millions of people worldwide through these grants, which were made possible through your generous support.

Exciting Changes to the Contributing Member Program Every gift, in every amount, helps further LCIF's mission. Each dollar raised helps Lions to make the world a better place. As of July 1, 2016, your [contributing member](#) donations of US\$20, US\$50 and US\$100 will be credited toward your Melvin Jones Fellowship or Progressive Melvin Jones Fellowship. Engage Youth in Your Community

Young people have the imagination, courage and ingenuity to find lasting solutions to the world's greatest challenges. That's why Lions continue to provide opportunities for youth to express their ideas, develop their leadership skills and serve alongside Lions. There are lots of ways to engage youth in your community: work with a local school to sponsor a Peace Poster Contest; organize a new Leo club; or join Lions around the world on August 8-14 for the Worldwide Week of Service for Youth to help us reach our goal of serving 100+ million people! CENTENNIAL CELEBRATION

Newsletter #Lions100

Dear Lion,

As we approach our Centennial in 2017, we have so much to celebrate. This once-in-a-lifetime event commemorates not just our association, but every Lion and club who has made a difference in the world. No matter where you are, there's an opportunity for each and every Lion to join the celebration.

I encourage you to join the Celebration by supporting our three signature programs:

- Lead through service by hosting youth, vision, hunger and environmental projects to help us reach our **Centennial Service Challenge** goal of helping 100+ million people. Set a goal of hosting at least 1 service project for each.
- Invite for impact by asking family, friends and neighbors to serve with you as Lions, and you'll earn recognition in the **Centennial Celebration Membership Awards**. Set a goal of adding 3 new members.
- Connect with community by planning a **Legacy Project** that commemorates the Centennial and provides a lasting gift to your community.

Let's work together to show the world that where there's a need, there's a Lion!

Very truly yours,
Chancellor Bob Corlew

President's Message

Dear Lion,

When Melvin Jones founded Lions Clubs nearly 100 years ago, it was for the benefit of our communities. He believed that you can't get very far until you start doing something for somebody else.

So, when I hear about a Lions Club in Nepal, who planned a Centennial Legacy Project revitalizing an abandoned park for the good of their community, it reminds me that Melvin Jones' legacy lives on in the hard work and dedication of our 1.4 million Lions around the globe.

As we begin our Centennial year, take the opportunity to build your club's legacy in your community by planning your own Legacy Project. Not only do Legacy Projects raise your visibility, but they also remind your community that where there's a need, there's a Lion.

Very truly yours,
Chancellor Bob Corlew
Your International President

Showcase Your Legacy Project

Legacy Projects are a great way to make a lasting impact on your community and raise the visibility of your club. When you complete your Legacy Project, take advantage of the opportunity by holding a dedication or ribbon-cutting ceremony.

Visit the [Legacy Projects webpage](#) today for tips and resources, including a customizable press release, to help publicize your Legacy Project.

Show Your Lions Pride

One of the best ways to raise your club's visibility is to wear Lions branded gear when you're out serving in your community. Hats, shirts, vests and more featuring the iconic Lions logo are available today from Club Supplies. Plus, in support of the Legacy Projects program, Lions Centennial plaques, highway signs and decals are available at a discount for a limited time. Visit the [Club Supplies store](#) today to make sure your club is ready for its time in the spotlight!

Impact Sight in Your Community

Everyone deserves to see a better tomorrow. Your club can help save sight in your community by organizing a **Worldwide Week of Service in Sight** project during **October 10–16**. Visit the [Worldwide Week of Service in Sight](#) event page for more information on this special Centennial Service Challenge event, then share it with your club today!

Lions Clubs International

Dear Lion: Lions serve in a variety of ways. With any service to the public, safety is of the utmost importance. In the case of an accident or any unfortunate event, a club may be held legally responsible. Originally adopted by the U.S. Congress in 1997, the Volunteer Protection Act (VPA) provides liability protection from claims that might be filed against a nonprofit organization's individual volunteers. In the Act's current form, however, protection from liability **does not** extend to the organization itself, including Lions clubs. Currently before Congress is another bill called the Volunteer Organization Protection Act or VOPA. This Act would amend the VPA to extend liability protection that's already given to individual volunteers to organizations as well. We need your help in moving VOPA forward; contact your representative in support of VOPA! Use one (or more) of these ways to contact your representative:

Call – You can read directly from a [phone script](#);

Write – Send a letter by email, fax or mail; feel free to use this [sample letter](#). We also give [step-by-step instructions](#) on how to contact your representative;

Visit – [Request and plan](#) a meeting; here's a [general calendar](#) of when representatives might be in their local offices;

Resources – Visit us [online](#) for more information.

You can learn more about VOPA and how important this bill is on our [blog](#). We would love to see photos of Lions making calls, visiting representatives and sending letters. Email photos (selfies count) to governmentrelations@lionsclubs.org. Don't forget to include your club's name. Protect your club today; thank you for getting the word out about the importance of VOPA! Indiana Lions State Convention Information

Happy Birthday Lions!

That is the theme for the 2017 Indiana Lions State Convention in Evansville on April 28—30, 2017. Make your plans now to join Lions from across the state of Indiana at the 2017 Indiana Lions State Convention to celebrate 100 years of lionism. More than 130 Lions have already pre-registered for the Convention. The convention will be hosted by the Oakland City and Petersburg Lions Clubs, assisted by Lions from throughout District 25-E.

Lions Clubs International President Robert Corlew will be our special guest at the convention. IP Corlew will participate in the presentation of awards at the Awards Luncheon on Saturday, and will be the keynote speaker at the All-State Banquet on Saturday evening. Convention attendees will have an opportunity to meet IP Corlew during a seminar session on Saturday afternoon.

A frequently asked question about the convention is: "What is the dress code for the All-State Banquet on Saturday evening?" The District Governors and other Lions leaders seated at the head table will be wearing formal dinner jackets, but this is a Lions function and Lions apparel is always appropriate at a Lions function. Please plan to attend the All-State Banquet, even if you don't have a Lions vest or shirt. We want you there, no matter what you wear.

Several exciting events and tours are being planned including a Friday evening dinner aboard the LST 325. LST 325 is a restored, fully operational, Navy ship that actually served our country in WWII. The LST is docked in Evansville on the Ohio River and will provide a unique dining experience. There will be a special breakfast commemorating Dr. W. P. Woods, LCI's first International President, who just happened to be from Evansville. Theme baskets are great items to bring for the Silent Auction. A great way for your club to participate in the convention. There will be many surprises throughout the Convention.

There is no charge to attend the convention business sessions, seminars, or visit the exhibit tables. We have done our best to provide affordable meals at the convention, including children menus for the Saturday Luncheon, All-State Banquet, and Sunday Brunch. Walk-in registrations will be accepted during the convention, however, no meal reservations will be accepted after April 20. The deadline for meal reservations at regular prices is April 1. After April 1, the price for each meal will increase by \$5.00. We encourage you to register early to avoid the added cost.

We look forward to celebrating 100 years of lionism with you at the 2017 Indiana Lions State Convention!
